

Saturday 17th July.

Today, we had a very good days golf, bearing in mind the present conditions we find our selves in. Many thanks to the sponsorship once again of Dave Toone

I would like to take this opportunity on behalf of the club members to thank Dave and wish him and the business all the best for the future.

This Saturday is the Prostrate Cancer Competition. This year the Captains Charities are for Prostrate and Breast Cancer and it is a joint effort by both Captains to raise money for both good causes. The Competition on Saturday is a chance for all taking part to help these two charities. No one knows when these things are going to attack any one of us or someone you know so please dig deep and help us to raise as much as we can for both causes.

Thank you in advance for your donations

Brian & Maggie Captains
