

Hi all,

Welcome back after weeks of torment, I played today for the first time since lock down, it was nice to see so many back in the groove.

The course is looking much better having had a long rest and thanks to Mike and Alistair who have done a great job with the drainage and course improvements whilst the course was closed.

There may be some who are not happy about only being allowed to play 9 holes, but we hope this is for the short term and soon we will be back to normal.

With the wind blowing in the right direction, we should be able to play the competitions soon and get back to 18 holes, hopefully week commencing 12th April.

All we are asking is that players stay patient and enjoy their game while keeping a safe distance and complying to the safe procedures set out in our earlier message.

Keep your chins up and soon we will be wondering what it was all about.

Good luck and I look forward to seeing you all soon
