

Dear Members

A week has gone by since we were able to open the course again albeit with several restrictions, and we hope you are enjoying not only the course, the playing but also the weather.

We, the club, have now decided that we will run a nine hole competition next Wednesday 27<sup>th</sup> May.

It will be £2.00 per head, there will be no twos pot or nearest pins for this initial competition.

One card per tee, with both player scores on marked by one member, who having agreed the final scores with your fellow player will place card in a receptacle provided.

Paul Jackson our new Handicap Secretary, is prepared to collect all cards from this designated point advised by either Nat, Jack or Jacob who will be in the Pro Shop taking bookings and competition fee.

Paul (J) will put the cards into the machine himself under strict hygiene rules and the result will be posted on Master Scoreboard and in the shop.

The prizes will, pending the appointment of a new Professional, be a gift voucher, e.g. one4all card.

If this is successful, the competitions will be extended to further weekly competitions on other days.

It is hoped that on line booking will be available next week and as and when notified all telephoned bookings will be transferred across to the on-line system

Keep Safe

Ray Hunter

Club Sec.
