

## The End of an Era

After just over 25 years as our Professional, Chris McKeivitt has retired from the position.

As a founder member he has seen many faces come and go and some return. I'm sure he will have many memories and tales to recollect, whilst relaxing in his garden.

Some pictures published earlier on the noticeboard during the lockdown, showed him taking part in one of the early days 'Longest Day Challenges'

Many members will remember, or perhaps won't remember, the away days he organized some over two/three days.

It is pleasing to note that Paul Lander has now made him an Honorary Life Member, so hope we have not seen the last of him just yet.

Wishing Chris a long and happy retirement

Captain, Lady Captain, Lady President, Vice Captain, committees and members of ARGC.
