

Dear Member,

After confirmation from England Golf regarding Winter Handicapping I'd like to inform you that we will no longer be freezing handicaps over the winter period as was the norm before this year. Therefore, beginning Wednesday 21st. October all competitions will be treated as a qualifying competition *provided the course meets its minimum requirements* concerning the playing length.

The result sheets showing prize monies will be posted in the spike room once our Pro has had chance to work out the values,

Many thanks,

Paul Jackson.

Handicap Sec.
