

Soap stars help boost funds at Alder Root

CAST and crew of TV show Hollyoaks descended on Alder Root Golf Club to help raise funds for Multiple Sclerosis.

Nine teams, each containing one member of the Channel 4 programme,

battled it out in a Stableford format as almost £1,000 was collected.

The winning score came from crew member Steve Whalley and his team of Terry Hawkes, John Genner and Eric Ashcroft.

Lady captain George

Quinn said: 'It was the first Celebrity Am Am we've organised and we were delighted with the way it went. There would have been even more stars from the show but they got called in for extra filming at the last minute.

'Nick Pickard (Tony in the show) was our contact and he's been an absolute star with the help he's given us. We hope to make this an annual event now.'

Whalley also bagged the top celebrity prize with an

amazing 48 points off his 28 handicap. Chris Fountain, who plays Justin, was second with 35 points.

Nearest-the-pin award went to Carl Kelly. Fountain Margaret Wild and Chris Gaskell. Ray Hunter won the award for the Longest drive
